

# Amateur Radio Technician License Class Offered

**Date:** Day, Month date, year

**Where:** Name of facility and address

**Time:** From 8:00 am to 5:30 pm. Testing will begin at approximately 3:30 pm. There will be a one hour lunch break. The instructor(s) will be eating in the classroom during the lunch break and will be available to answer questions. Feel free to bring your lunch and join them.

## **Class Requirements:**

The class will be taught using the AD7FO *Technician Class Syllabus*. A printed copy for the class is recommended. You will need to look over the syllabus (on line if you do not print a copy) before the class. It can be downloaded from the Inland Empire VHF Club Web Site at [www.ad7fo.com](http://www.ad7fo.com). The class will be taught from a Power point version of the Syllabus.

A color printed and bound copies of the syllabus can be purchased for around \$15 . from The UPS Store located at 2910 East 57th Avenue #5, Spokane, WA 99223 (phone (509) 448-6368). Call ahead and ask for Richard - KE7DQC so they have a copy ready for you). These can be picked up at the store or can be ordered and mailed to a your home address.

**Bring a simple scientific calculator** that can perform basic math functions like add, subtract, multiply, divide and base 10 logarithms (The scientific calculator from the dollar store for \$1 is sufficient if you do not already have one). You will need it also for the exam. *Cellular phone calculators and programmable calculators that can store equations are not allowed during the exam.*

**Cost:** No cost for the class (if you charge for your class add that here)

**License Test:** A license test session will follow at the end of the class (\$15 test fee required if you wish to take the exam, pass or fail). Photo ID (Drivers License, State ID card, Passport, Military ID, etc.) with your name and address will be required to take the test and you will need to provide your social security number on the FCC forms. If you already have any other FCC license (Amateur Radio, GMRS, Aeronautical, Marine, Commercial etc.) you will need to have the FRN number from that license instead of your social security number)

**Instructor:** *Instructor name and qualifications go here*

**Registration is required:** If you wish to attend this class you must send an e-mail to **Sponsors name and e-mail** and a copy to *instructor name and e-mail* with your name, e-mail address and phone number. You must receive a confirming email from **sponsors name** or the instructor verifying you are registered. Seating may be limited so please register early.
